Important notes:

- All the classes at Learn Beyond The Book are semester-long classes unless otherwise stated. When signing up, you are committing to pay for the full semester, even if you decide to drop the class later (exception – see next point below)
- If a class is not a good fit, and is dropped (in writing/email) by the end of the first 2 weeks of the semester, you only pay for the weeks you attended and not for the whole semester. If a class isn't dropped by the end of week 2, the family will be responsible for the full semester cost.

If you are in a charter school, register online and in the "School" field on the registration form, fill in your charter school.

You will then receive a registration confirmation, which you will submit to your charter school who will issue us a PO (purchase order), payment voucher or enrichment certificate. If you owe more than what they will pay for, you can pay the rest out of pocket (monthly payment plans available). Once you receive the document from the charter school, please forward to LearnBeyondTheBook@gmail.com

The registration system will ask you for a credit card, but it will not be charged, unless we notify you first. We manually charge the cards, it is not automatic.

Everyone else can pay by check, cash or Paypal.

Tuition can be paid in 4 monthly installments.

Payments are due by the 10th of each month.
